Welcome to The Chapel on Sycamore, a unique and historic venue that offers an unparalleled setting for film and video shoots. Located in downtown Decatur, our space combines rich history with modern amenities to provide filmmakers with a captivating backdrop for their productions. Although we're proud of The Chapel's history as a place of worship, we're not affiliated with any religion, denomination, or church.

**Historic Charm::** Built in 1899, our venue boasts classic architectural details that make it an ideal locale. Outside, the stone walls of the facade set the stage for a dramatic backdrop. Inside, the wood ceilings with matching beams and stained glass windows create a timeless atmosphere, preserving the charm and character of its storied past. From grand architecture to intricate details, every corner of The Chapel exudes a sense of history and authenticity.
